# HOW TO MEASURE YOUR CHILD

Price & Buckland Schoolwear has been created with the growing child in mind and for a comfortable fit. It is generous in size and durable.

We always recommend checking your child's measurements before buying by using our top tips to ensure the best fit.

## 1 HEIGHT

Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

## 2 NECK

Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

## 3 CHEST

Measure the chest at the fullest part placing the tape close up under the arms.

## 4 WAIST

Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

## 5 HIPS

Standing straight, with heels together, measure around the fullest part.

## 6 INSIDE LEG

In bare feet take the measurement from the top of the inside leg to the floor.
