Tuesday 19th July 2022

Dear Parent/Carer,

It gives me great pleasure to welcome your son/daughter to Exam-results day 2022 on Thursday 25th August. The school will be open for them to pick up their exam results from **9am** (using the main visitor reception entrance) and results envelopes will be handed out in the school atrium.

If your son/daughter is unable to attend on 25th August and would like their results to be collected by another person, posted out to their home address or to be emailed to them, please ask your them to send an email (using their school email account) to exams@stlukescofe.school confirming either the name of the person who they would like to nominate to collect their results envelope, or confirming that they will not be attending and would like their results emailed or posted to them. We will not hand out results envelopes to any person who has not been nominated and results emails can only be sent to students' school email address. It is absolutely vital, therefore, that we are informed of any change of address as soon as possible. Please use the email address above.

There will be a representative from Exeter College present during the morning in case your son/daughter would like to speak to them about their post-16 options. If you and your son/daughter have any questions about their college application, the first step will be to contact the Exeter College Helpline. The Exeter College GCSE Results helpline will be open on the day and should you have any questions about your their chosen course after they have received their results. The College advice number is 01392 400600 and the Exeter College GCSE advice number is 01392 400555. and you can also view helpful information about the day on their website at <https://exe-coll.ac.uk/supporting-you-on-gcse-results-day/>. We also plan to have an advisor with us on the day. If, following conversations with the College, you require any further support from ourselves, please do not hesitate to contact us via office@stlukescofe.school

Exam certificates will be given out at our Year 11 Awards which will be held in the Autumn Term. As soon as we have a date for this, we will let you know. Please keep checking the website for more information. For any students who do not attend this evening, certificates will be held in school reception and can be collected during normal school opening hours.

We hope you have a good summer and look forward to celebrating with you on August 25th.

Yours faithfully

Lindsay Coren

Assistant Headteacher (Head of Mathematics)
