# Enrichment Week 2023

*Monday 17<sup>th</sup> to Friday 21<sup>st</sup> July*

# Enrichment Week 2023

Dear Parent/Carer,

It is with great delight that we are able to launch our 2023 Summer enrichment week.

We have a huge range of different trips and activities planned for the summer of 2022. We have endeavoured to have a mix of in-school trips, day trips, residential and overseas visits; the details of all trips and activities can be found in the attached brochure.

Deposits are due by the end of Autumn term in December, and will need to be made via MyChildAtSchool. Deposits are non-refundable and non-transferrable. Payments will then be in equal instalments between December and April. Unfortunately, any instalment paid is not refundable and in the regrettable situation where full payment has not been made, students will not be able to take part in their chosen trip or activity.

Whilst on trips and external activities, students are representing the school. As such, we reserve the right to remove a student from a trip based on their in-school behaviour and conduct. If this is the case, we will be unable to refund any of the money paid as we would be unable to recoup the costs as a school.

We have divided our trips into three cost categories to tailor for all budgets.

Under £50	Low Cost (up to around £200)	High Cost (more than £300)
-----------	------------------------------	----------------------------

Some trips have restricted numbers; these will often be on a first come, first served basis following payment of the deposit. If your child is in receipt of the pupil premium, there will be a 20% reduction to the overall cost of the trip. This will be applied automatically once the instalments are added to your account.

Following booking, we will circulate further details about kit lists and finalised itineraries for residential trips.

If you have any questions about the week, please don't hesitate to get in touch.

Kind regards,  
Mr Will Matthews
